Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

Claims 1-20 are allowed because the prior art does not teach or suggest a method/system of designing a test structure, the method/system having the following steps/elements as recited in claim 1 (and similar language in claim 11): defining and placing test circuit pins in an integrated circuit design; routing one or more fat wires, each fat wire routed between a set of said test circuit pins; processing each fat wire into a continuous wire and one or more corresponding wire segments adjacent to said continuous wire, said continuous wire separated from said one or more corresponding wire segments by a space; and connecting said continuous wire and said one or more wire segments to circuit elements of a defect monitor scan chain, said circuit elements previously inserted into said integrated circuit design.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul Dinh whose telephone number is 571-272-1890. The examiner can normally be reached on Monday to Friday from 8:30am to 5:00pm.
